WATER REPORT

Plans are to install the new pump sometime during the week of May 13th - 17th. We won't know until probably the Friday before that week which day it will actually be installed. All residents will be notified as soon as possible prior to the 1 day outage and 2-3 day boil order. We recommend you save up water in jugs in the next few weeks.

Due to rain, Doug Reeves has re-scheduled the Clean-up Day for Saturday, May 4th at 9:00 AM. Everyone, including kids, is encouraged to help. Rain date will be May 11th or the first Saturday it doesn't rain!
